Mr. Anthony Francis

American Security Council  
Ridge Road P. O. Box 383  
Glen Cove, New York 11542

Dear Mr. Francis:

Thank you for your kind letter of 6 January 1978 to Admiral Turner relaying transcripts in English of two of the GAISMAS AKCIJA films which you had mentioned in your previous letter to Ambassador Durbrow.

Unfortunately, his schedule will not allow him to meet with you personally, but an Agency representative will be happy to meet with you at your convenience, either in New York or in Washington to receive the films from you. We will review them and if we find them of interest to our organization, we can make copies at our expense if this is agreeable to you, and return the originals to you.

Please let me know when it would be convenient for our representative to meet with you and which location would be best for you. I will then have him phone you and work out the details.

Sincerely,

B. C. Evans
